

About TRC Global Solutions

Companies that relocate employees are facing profound relocation and real estate challenges. These tough times call for a relocation service partner who is informed by the past, focused on today and anticipating the future: TRC Global Solutions.

Since 1987, TRC has delivered creative, cost-effective relocation and international assignment services across the U.S. and in 150+ countries worldwide. We bring our clients fresh perspectives backed by more than 20 years of relocation experience. As an independent company, we're free from corporate bureaucracy, preconceived notions and conflicts of interest.

TRC helps clients achieve their business objectives by ensuring they have the *right* people in the *right* place at the *right* time, controlling costs and mitigating risks. TRC partners with its clients to develop a competitive, best-practice relocation program, drawing from a comprehensive range of relocation services, including US home selling, home finding and consulting services and complete international relocation services. TRC's eclectic

client base represents a wide variety of products and services and ranges from smaller, start-up firms to Global 1000 companies.
